Terms and Conditions

To qualify for the enhanced Small Business Boost Your Bottom Line limited time offer, all participants must agree to be on a preauthorized payment plan and a valid credit card is required. Other eligibility criteria may be set by Loomis Express from time to time.

Total savings of 50% may vary based on existing tariff/pricing for current customers. Estimated savings are based on a 40% discount applied to the Loomis Express Tariff Rates as published in the Loomis Express Domestic and International Rate Guide in effect at time of shipping. In addition, for the remainder of 2022, an additional 10% discount (50% total) will be provided to new business accounts opened on or after March 25th, 2022 that spend between \$1000 - \$9,999, from the account opening date to December 31, 2022, on Ground or Express services (excluding surcharges, special handling fees, duties, taxes or other additional charges).

If there are any discrepancies between the calculation of any discount by Loomis Express and any other parties' calculation of the discount, Loomis Express's calculation shall prevail. Offer is available for a limited time only and only to eligible customers for certain shipments within Canada. This offer cannot be combined with other discounts.

Eligible Loomis Express customers with an existing account number can register for the Small Business Restart Program.

Rates will be calculated based on Loomis Express's published tariff rates available at <https://www.loomisexpress.com/loomship/Services/RatesAndZones>.
